

# QUIGLEY'S

**B.B.Q  
Company**

**Real Smoke  
Real Slow  
Real good**

How does our B.B.Q. get so good? We start by rubbing all of our meats with our secret blend of B.B.Q. spices. We then cook it real slow using mesquite, and apple wood for that smokey flavor. That's what makes our B.B.Q. melt in your mouth tender and tasty. We finish it by lathering it up with P.J.s famous sauce, with 20 herbs and spices for that incredible no where to be found B.B.Q. taste.
